NOTIFICATION.

No. 1, *dated* 24*th January* 1916.

NOTICE OF SALE OF ARKARI AND OPIUM PRIVILEGES.

Notice is hereby given that the number of independent shops appointed for the sale of liquor, opium and intoxicating drugs during the twelve months beginning 1st April 1916 and ending 31st March 1917 and the local limits appointed for them will be notified by Collectors in their District Gazettes, and that the privilege of sale therein will be put up to public auction on the dates, at the places and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

Conditions of Auction Sale.

II. The districts in which independent arrack shops, foreign liquor taverns, beer shops and ganja and opium shops, respectively, will be sold are specified below :—

Independent arrack shops.	Foreign liquor taverns.	Beer shops.	Ganja shops.	Opium shops.
From 1*st April* 1916.				
Throughout the excise tracts of the Presidency including the Banganapalle State.	In all districts except Ganjam, Vizagapatam, Nellore, Cuddapah, Kurnool, Anantapur, Trichinopoly, Ramnad, the Nilgiris, Salem and South Canara.	In all districts except Vizagapatam, Godavari, Kistna, Guntur, Kurnool, Madras and Tinnevelly.	Throughout the Presidency.	Throughout the Presidency.

Arrack and ganja wholesale depôt licenses will be issued for all districts. Particulars regarding them will be found in clause XVI below. A separate notification will be issued regarding fixed fee foreign liquor licenses.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the officer conducting the sale may, where he finds it necessary, require a deposit of Rs. 10 only from bidders for arrack shops. In the South Canara district, the selling officers may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2.

IV. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset price will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such breach of the conditions of a license or of a contract under the Abkari / Opium Act as to render him undesira-

as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative, after recording his reasons for doing so. Village officers* will not be allowed to bid for, or to have any direct interest in, shops for the sale of intoxicants.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the shop re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit† of half a month's rent in addition to the deposit made under clause III) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop.

X. Persons to whom shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit† such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed two months' rental the excess will be refunded unless the purchaser is required to deposit (wins that sum under clause XI infra.

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause X supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 34, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the requisition under clause XI supra or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop re-sold under the orders of the Divisional Officer on the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. Re-sales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Tahsildar‡ and the licensee so agree, it may be credited towards the last instalments of the kists payable by the latter.

Condition of Issue of Licenses for Wholesale Vend of Arrack and Ganja.

XVI. Applications for the privilege of the wholesale vend of country spirits and of intoxicating drugs prepared from the hemp plant should reach the Collectors concerned on or before the 1st March 1916 and each should be accompanied by a fee of Rs. 15 which will be returned to those persons whose applications for licenses are not approved. The grant of licenses confers no exclusive privilege, and it will be open to the Collector to grant licenses under like conditions to other persons at any time during the currency of the licenses for which applications are now invited. Licenses for the wholesale vend of arrack will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots and deposited such amount as may be required by the Collector as security for the proper fulfilment of the conditions of the license. If such depots are not worked to the satisfaction of the Collector, they may be closed at any time. Arrack wholesale depot licenses will not be granted to persons having interest in retail shops.

The licenses issued under the above clauses will contain the following general conditions common to all abkári and opium licenses and the special conditions prescribed below for any particular kind.

General Conditions applicable to all Abkari and Opium Licenses.

1. Contract supplyers of country spirits are prohibited *from* holding within their contract areas any interest in the retail vend of arrack or in the vend of other intoxicating liquors such as toddy, foreign liquor and beer, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply of foreign liquor or of rectified spirit to licensed vendors; nor does it prevent them from holding an interest in the retail sale of country spirits in areas other than those for which they have been granted the supply contract, or *from* holding ganja and opium shops either within or without their contract areas. Brewers are prohibited from having any interest either direct or indirect in the retail vend of beer throughout the Presidency.

* This order is not intended to debar relatives of village officers from holding abkári and opium shops which are not situated in or near or which do not supply villages at which the village officers themselves are employed.

† Deposits may be in cash or other approved security. ‡ Includes Deputy Tahsildar in independent charge.

2. The limits within which sales under any abkári or opium license may be carried on will be specified by the Collector at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communication between the depot or shop and an adjoining dwelling-house, they must be kept locked at night. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 and over, the shop premises shall have no doors except into the main street; there shall be no possible means of ingress or egress in any other direction: the interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (chemists and druggists and medical practitioners excepted). The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited. But intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium. In shops which are clearly of a superior character private bars may be sparingly allowed by the Collector, under a special license to be granted by him free of fee, provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door clearly labelled, or provided with a proper signboard to show its nature.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and, in the case of taverns and wholesale depots, in English also. The license must be hung up in a conspicuous place within.

6. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to opium and intoxicating drugs either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. Nothing shall be added to liquor except in compounding or blending in accordance with the terms of a license. Liquor shall not be bottled except in accordance with the terms of a bottling license. Nor shall different kinds of liquors be mixed and sold under the designation of one of them. All officers authorized to inspect depots and shops (vide condition 25 infra) are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use, or which they may believe to have been tampered with in any way, and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkári and Customs Department are empowered to confiscate or destroy any liquor, opium, or intoxicating drugs unfit for consumption or use or which have been tampered with, and all liquor to which liquor of another description has been added and which is being offered for sale under the name of one of the liquors so mixed.

7. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 A.M. in Madras or 6 A.M. elsewhere. In Madras sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Collector. Power is reserved to Collectors on the report of the Police or for other sufficient reasons to order the closure of any particular shop either in towns or in the country at 8 P.M. or even at an earlier hour, if they consider such a course to be advisable in the interests of the public.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shopkeeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. Collectors may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. Tahsildars may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

14. The right is reserved to the Collector to grant "Occasional Licenses" for the sale of liquor, opium and intoxicating drugs, on the occurrence of fairs, festivals, etc., only in places in the vicinity of which there are no regularly licensed shops. This power in regard to country spirits and toddy may also be exercised by Divisional Officers. Such licenses should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or to the representatives of the renter. The licenses shall run only as long as they are actually required not exceeding ten days. Not more than one license shall be issued for a fair or festival without the sanction of the Board. The fees to be paid for the licenses shall be fixed at the discretion of the officers issuing them.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or independent brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect

to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to natives of the Royal Navy, soldiers and members of their families, or
(2) to any other person living in barracks;

(b) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments,
(2) to Policemen, Excise officers and Railway servants when on duty; or,

(c) in any circumstances to any—
(1) European vagrant under escort of the Police;
(2) child under sixteen years of age;
(3) insane person; or
(4) person known or believed to be intoxicated.

Note.—The restrictions in this rule (b) do not apply to Native soldiers, their families and followers when they are absent on leave from their regiments.

16. No privilege of supply or rend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any abkári or opium license will be allowed, without special permission from the Collector, to possess any interest in any abkári or opium license in any Native State or foreign territory or in any British territory where a low rate of duty is in force and which is adjacent to the district in which he holds his license.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained therein. Shops not opened by dates to be fixed by the Collector shall be liable to be re-sold at the risk of the licensees.

19. No liquor, opium or intoxicating drug shall be sold to shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor [illegible] or consumption off the premises.

20. No liquor, opium or intoxicating drug shall be sold either below or above such [illegible] minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the [illegible] the time being in force.

21. No liquor, opium or intoxicating drug in excess of the quantity prescribed [illegible] for possession without a license shall be permitted to be removed by any person at any one time [illegible] from any licensed premises without a valid permit; nor shall liquor or intoxicating drug be sold or bidden [illegible] wholesale depots in quantities less than the minima prescribed.

22. True accounts of transactions shall be maintained from day to day in ink [illegible] in the prescribed form. The accounts and permits shall be in printed books. The account books [illegible] may be obtained from local Revenue officers on payment of cost price. The permit books can be obtained [illegible] at all Circle offices on production of receipts for the payment of the cost price into Government Treasuries. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be accounted for. The counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Salt, Abkári and Customs Department.

23. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

24. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkári and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. The officers authorised to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and
(2) any officer of the Salt, Abkári and Customs Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and

check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

26. An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the circle or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 10th * of each month beginning with April or October as the case may be. Fees for depots should be prepaid.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be collected * under the Revenue Recovery Act or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar †

30. Power is further reserved to Revenue officers to suspend * licenses in case of failure of payment of kists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy, ganja and beer shops and taverns this power will be exercised by Tahsildars,† in the case of opium shops by Divisional Officers and in other cases by the Collectors.

31. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be re-sold with effect from the date of issue of license to the new purchaser or otherwise disposed of at the Collector's discretion. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of 6 per cent. per annum.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

Either (*a*) fine up to Rs. 50,

or (*b*) forfeiture of deposits, if any, and cancellation of licenses and re-sale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Abkari / Opium Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it. The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

34-A. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if it is brought to the notice of the Collector that the licensee has been *previously* convicted before a Magistrate of any of the offences mentioned above. The purchaser of a privilege is liable to this penalty even though a formal license may not have been issued to him.

35. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Abkari / Opium laws or of engagements entered into by them and to comply with the Divisional Officer's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Collector's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkari and Customs Department are absolutely prohibited.

37. With the sanction of the Board of Revenue, any license shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Abkari / Opium laws and, if so required by the Collector or any officer authorised by him, to deliver up their licenses for amendment or for the issue of fresh ones.

Conditions applicable to Arrack Licenses.

1. The privilege extends only to the sale of country spirits of the prescribed strengths. These are 32° under-proof and 60° under-proof in the districts of Godavari (excise tracts), Kistna, Guntur, Nellore, Chingleput (*ex* Sadras taluk), North Arcot, South Arcot (high duty area), Tanjore and Trichinopoly, and 30° under-proof and 30° under-proof in other areas excepting the tracts in the South Arcot district bordering on French territory where the liquor to be sold will be 40° under-proof and Gonepur and Polkonda agencies where the liquor to be sold will be 50° under-proof only.

2. Spirits shall be purchased only from a distillery or warehouse established by the contract supplier for the supply of the district or from a wholesale depot established by the contract supplier, or by a private person with the contract supplier's consent. The prices to be charged per gallon at the distilleries, warehouses and wholesale depots in the several districts are given below :—

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 6.] MADRAS, TUESDAY EVENING, FEBRUARY 8, 1916. [Price, 9 pies.

SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 2, *dated* 5*th February* 1916.

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENSES.

The following notification is issued in supersession of Notification No. 2, dated 5th February 1915, published in the Supplement to the *Fort St. George Gazette*, Part II, dated 9th February 1915.

In exercise of the power conferred on him under section 4 (*g*) of the Madras Abkari Act (I of 1886), the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licenses on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors from and after the 1st April 1916 within the limits of the Madras Presidency:—

1. The term "foreign liquor" in these rules includes all wines, spirits and beer imported into the Presidency by sea or land; plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid; all spirits manufactured or compounded in the country and made to colour and flavour to resemble gin, brandy, whiskey or rum (or spirits made in Malabar from cocoanut toddy, called "Malabar arrack") and excised at the tariff rates of import duty; and beer brewed in India or beer imported in unsodonsed form and afterwards converted into potable beer and duly excised, but excludes denatured spirits and ordinary arrack. In the case of licenses to Chemists, Druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term "foreign liquor" means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

NOTE.—The maximum strengths at which imported and locally made foreign spirits can be sold are 35° U.P. for gin and 25° U.P. for all other kinds of spirits including Indian arrack, except denatured spirits and Malabar, Cochin and Ceylonese arrack.

"Native" beer is beer brewed in India (*a*) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or crude cane sugar is employed, (*b*) which is brewed of a higher original gravity than 1,062° on a standard saccharometer and (*c*) the maximum price of which at the brewery is Rs. 40-2-0 per hogshead including the excise duty of three annas per gallon.

2. Licenses for the sale of foreign liquors shall be of the following descriptions:—

I. *Wholesale licenses for the sale of foreign liquor not to be drunk on the premises.*—These will be issued on an annual fee of Rs 100 at the discretion of Collectors. Under these licenses the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles of each kind at a time is prohibited. The holders of this license will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this license will not be allowed to sell "native" beer

II. *Retail licenses for the sale of foreign liquor not to be drunk on the premises to any person.*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except "native" beer and the other for the sale of beer brewed in India.

(a) The former will be issued at the discretion of the Board and Collectors on payment of an annual fee of Rs. 200 in the town of Madras and in Ootacamund, Coonoor and Wellington, Rs. 100 in towns having a population of 25,000 and over and in Kodaikanal, Yercaud, Kotagiri and Cochin, and Rs. 50 in the rest of the Presidency. Under these licenses the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons in one transaction will be prohibited. In Madras the right of selling Colombo, Cochin or Malabar arrack for removal from the premises in bottles to quantities exceeding one reputed quart will be restricted to tavern-keepers who have taken out a special license for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail license-holder will be allowed to sell any kind of foreign liquor except Colombo, Cochin or Malabar arrack and "native" beer.

(b) Retail licenses for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *Hotel licenses for the supply of residents in hotels and boarding-houses.*—These will be of two classes at annual fees of Rs. 150 or Rs. 75 in Madras, of Rs. 100 or Rs. 50 on the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licenses otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel license desirous of setting up and maintaining in his hotel a "bar" or "bars" may, on payment of a monthly fee of Rs. 50 for a first-class bar or Rs. 25 for a second-class bar, be granted a separate license to be called a bar license. This will cover the sale of foreign liquor, except Colombo, Cochin or Malabar arrack, under the same conditions and to the same extent as the tavern license.

In Madras, special bar licenses will also be issued to others than holders of hotel licenses with the previous sanction of the Board of Revenue. The fees in such cases will be fixed by the Board and the licenses will entitle the holders to sell to all comers.

IV. *Refreshment-room licenses* will be of two classes—

(a) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies or proprietors or managers of lines of ark carriages for the supply on the premises of travellers by such railways or ark lines.*—The annual fee payable for each license will be Rs. 50. Under these licenses liquor may be sold to *bona fide* travellers, or to other persons served with regular meals in the rooms for consumption on the premises to any extent, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment room may be sold at one time to any such traveller for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of victuals prepared and served in the European manner.*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licenses of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licenses. The premises to be used for the sale of liquor under these licenses must be at least of the monthly rentable value of Rs. 50 in Madras and in Ootacamund and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

V. *Occasional licenses*, such as licenses for the sale at refreshment-stalls in connection with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licenses.

VI. *Special licenses* will also be granted by Collectors in consultation with the officers of the Salt, Abkari and Customs Department when the circumstances are such as not to allow of the issue of licenses of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

VII. *Auctioneer's licenses.*—Annual fee, Rs. 5. The following are important provisions of this license:—

(a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.

(b) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sales by auction of the property of private parties or estates or of trade consignments which are alleged or otherwise unmerchantable.

(c) Authority to sell by auction at places other than that specified in the license, viz., at any private residence at which the auctioneer may hold an auction.

---

* NOTE.—In places where there are beer shops, holders of retail licenses for the sale of all kinds of foreign liquor except "native" beer will be permitted to sell beer brewed in India on English principles only in bottles as bottled at the brewery at which it was brewed.

VIII. *Licenses for the sale of pure rectified spirits.*—These will be issued to Chemist and Druggist firms and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licenses the possession of pure rectified spirits in excess of ten imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Salt, Abkari and Customs Department, specially authorise) is prohibited. Pure rectified spirits must not be sold under these licenses for other than *bond fide* medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a Chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal hospital.

IX. *Licenses for the sale, as tonic or medicine, of medicated wines and similar preparations* containing 20 per cent. and upwards but not more than 42 per cent. of proof spirit will be issued by Collectors on payment of an annual fee of Rs. 10.

3. *Licenses for compounding* $\frac{\text{for}}{\text{and}}$ *blending foreign liquors* will be granted to holders of wholesale licenses by Collectors and those for *compounding* to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 250.

4. *Licenses for the bottling of foreign liquors, except beer brewed locally,* will be granted to holders of wholesale licenses by Collectors and to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 50.

5. Any two or more of the above kinds of licenses may be granted to the same person for the sale of liquor in the same premises.

6. No premises shall be used for the sale of liquor unless and until approved by the Collector.

7. All orders passed by Collectors under these rules will be subject to appeal to the Board of Revenue, whose decision will be final.

8. All licenses (other than occasional and special licenses) will have effect for the official year, i.e., from the 1st April in each year until the 31st March of the following year.

9. The fixed fees exceeding Rs. 50 on all licenses (other than special and occasional licenses) will be payable in two instalments, one half being payable when the license is issued and the other half at the beginning of the second half-year, viz., 1st October.

10 For the convenience of the trade, Collectors will, so far as possible, receive and dispose of applications for licenses under clause IV (b) to have effect during the following official year before the tarem sales for that year. Licenses for the sale of liquor in mufussil refreshment-rooms should be very sparingly given.

11. All further information may be obtained and forms of licenses may be procured at a charge of two annas each at the offices of Collectors.

12. The Board of Revenue in the Department of Separate Revenue will issue such subsidiary instructions as may be necessary in the carrying out of these rules.

Rule against perpetuity.

5. No disposition of property can operate to create an interest which is to take effect after the lifetime of one or more persons living at the date of the transfer or of the testator's death, and the minority of some person who shall be in existence at the expiration of that period, and to whom, if he attains full age, the interest created is to belong. Act X, 1865, s. 101. Act IV, 1882, s. 14.

S. 4, Act X, 1865; S. 13, Act IV, 1882.

6. If a disposition of property is made to a class of persons, with regard to some of whom it is inoperative by reason of any of the rules contained in sections 4 and 5, such disposition fails as regards the whole class.

Dispositions in favour of a class.

S. 102, Act X, 1865; S. 15, Act IV, 1882.

7. Where a disposition of property fails by reason of any of the rules contained in sections 4, 5 and 6, any disposition intended to take effect after, or upon failure of, such prior disposition is so void.

Failure of prior disposition.

Saving of enactments.

8. Nothing herein contained shall affect the provisions of any enactment for the time being in force in British India and applicable to Hindus or Mussalmans.

STATEMENT OF OBJECTS AND REASONS.

The object of the present Bill is to enable Hindus and Mussalmans to dispose of property by transfer inter vivos and by will for the benefit of unborn persons within certain limits. According to the Hindu Law as now administered in British India, a gift in favour of a person not in existence at the time of the gift is void and so also a bequest in favour of a person not in existence at the time of the testator's death. The same is the rule of Muhammadan Law, except that, under the provisions of the Mussalmans Wakf Validating Act, 1913, it is competent to a Mohammadan to settle property for the benefit of unborn persons even in perpetuity, provided the ultimate disposition is for the benefit of charity.

2. Every lawyer familiar with the Indian Courts must have come across a large number of settlements and wills made by Hindus and Mahammadans for the benefit of their children and grandchildren. The paramount object of the settlor in all these cases has been to provide not only for his children and grandchildren then in existence, but also for those to be born hereafter. Instead, however, of giving effect to the settlor's intention, the law as now administered completely defeats it. Even where a donor has only one child in existence at the date of the gift, and the gift is made in express terms for the benefit of all his children including those to be born hereafter, the law excludes from the benefit of the gift all children born subsequently to the date of the gift, to the entire subversion of the donor's intention. Similarly, the intention of testators to benefit by their wills their children and grandchildren not in existence at the death of the testators is also defeated. It is to remedy these evils, and to give effect to the settlor's or testator's intention, that the present Bill is proposed. The sole object of the Bill is to enable the Court to carry out the settlor's or testator's intention, which, under the present state of the law, they are precluded from doing. At the same time, it is recognised that this can only be done within the limits allowed by the rule against perpetuity, and these limits are prescribed in clauses 4 and 5. The effect of the Bill, if passed into law, will be to enable Hindus and Muhammadans to make dispositions of their property to the same extent, and subject to the same limitations as other communities in British India.
